

CLIMA Care

ClimaCare
thermal segments.
Gentle luxury with
fluffy-soft angora wool
for body parts, which
are sensitive to cold.
For pain prophylaxis
and gentle support to
sooth pains.

SHOULDER WARMER

Light and can be worn under clothing not noticeable, it softly surrounds shoulder and neck. Areas which are especially endangered during cold and draft.

With its comfortable thermal effect the fluffy-soft angora wool helps to sooth pains and stress.

ClimaCare Shoulder Warmer is available in white and in three sizes

80% cotton
20% angora

CLIMA
Care

The therm

Heat can cause miracles. If cold, draft or faulty posture has caused muscle tensions: heat can relax it and sooth the pain. Or if sports, hard work or other physical strain has caused pain in the joints, heat can sooth it.

ClimaCare with its thermal program is a pleasant balm for all parts of the body which are especially susceptible to muscle and joint problems, and supports pain prophylaxis in a most agreeable way.

BODY WARMER

Especially a good choice in case of pain in the lumbar vertebra area.

And a real friend who provides an angora-soft thermal protection. Against cold and draft. During sport or other outdoor activities. ClimaCare Body Warmer is available in a skin tint and white. In four sizes, fitting everybody.

44% angora
26% wool
26% Polyamid

JOINT WARMER ELBOW

Similar to the knee also the elbow is often overstressed.

A practical thermoprotection offers pain prophylaxis and soothing of pain. It is a discreet therapist, fitting smoothly, not slipping, and spreads pleasant warmth with the softness of fluffy angora wool.

40% angora
30% Polyamid
25% virgin wool
5% Elasthan

FOOT WARMER

Anti-skid naps in fashionable hare-shape. With cold feet the whole body feels uncomfortable, which avoids to fall asleep softly, as everybody has already experienced.

ClimaCare Foot Warmers care for pleasant warm feet and so help to fall into the well-deserved sleep.

Available in white, blue and three sizes. For more indoor walking safety by anti-skid naps.

67% virgin wool
25% angora
8% Polyamid
